Be right in the action on the Circle Line Spectator Boat. When we return to the pier at 12:30 pm, head over to Pier 84 for more exciting events!

Get onboard the Spectator Boat and see the whole event up-close. Cruise with the Parade of Boats, and even **race alongside the tugs** in the big race! Watch epic battles for supremacy in the **nose-to-nose pushing** and **line-toss contests**. Boarding begins at 10:15am, departure is at 10:30am from pier 83 - so you'll be on the water before the parade!

There's more **fun for the whole family** after the race on Pier 84! You can test your mettle in the amateur line-toss competition or join us for other kid activities!

Thanks to Circle Line Sightseeing Cruises & the NYC Economic Development Corporation for their generous support.
