9-Night Transatlantic Crossing - Rotterdam – Southampton – New York
Optional Stay Onboard Cruise Hotel Rotterdam

S.S. ROTTERDAM (V), 1959

M.S. ROTTERDAM (VI), 1997

Some of the greatest liners have sailed for the acclaimed and historic Holland America Line. This summer we'll have the opportunity to sail aboard HAL's ROTTERDAM, in service since 1997, and to stay aboard the legendary ROTTERDAM of 1959, now a floating hotel in the City of Rotterdam. The 62,000 ton flagship MS ROTTERDAM, now a classic in her own right, boasts superb facilities and décor. During our voyage, the ship's Crows Nest Lounge will become a Museum at Sea in celebration of Holland America's Transatlantic heritage. As part of this celebration, Holland America has engaged author, ocean liner expert, and Society member **Bill Miller** and marine artist **Stephen Card** as lecturers. Our group will also enjoy a complimentary cocktail party and other special activities.

SS ROTTERDAM has returned to her home port and is now in her 2nd year as a 254-room hotel after a 41-year career as one of the most beautiful passenger ships ever to sail. The grand interiors have retained their original glamour.
